Dear Commissioner MAR 25 A9:39

Please act on docket number  
98P-0151 CPCI to stop the slaughter  
of downed animals for the human  
food supply.

This is inhumane, as well as  
probably unsafe for the food supply.  
I have seen reports indicating that  
stockyards force animals suffering  
while waiting for slaughter  
so that they can profit from them.

Sincerely,

Debra Brinker
